Our Funeral Payment Policy

We at Lombard Funeral Home stand ready to assist your family at this difficult time. We take this opportunity to thank you for the trust and confidence that you have placed in us.

Being a small business, we are totally dependent upon our families for prompt payment.

Two types of expenses are incurred in the course of funeral arranging: fees incurred by third parties (such as clergy, cemetery, death certificates and newspaper notices) known as cash advances and fees incurred for services performed by us.

We request a minimum of one-half of the funeral expenses plus the cash advance items be paid prior to the funeral service. Payment may be made by cash, check, credit card, funeral trust account or by life insurance if policy can be validated (beneficiary/value) and is assignable. We understand there are families with difficult situations and we can offer alternative service options and guide families to organizations that may be able to help with financial concerns.
