Payment Policy

To lose someone you love is one of the most emotionally challenging times in life. It can be overwhelming and can impair one's judgement. Therefore, it is important to be realistic with funeral expenditures. We want to assist you in planning the most meaningful celebration to honor your loved one's life while also keeping in mind your financial well-being after services are over. It is important that arrangements reflect your wishes within the budget you set forth.

We strive to serve every family as if it were our own. Our compassionate staff will work to meet your requests in planning a one-of-a-kind ceremony to highlight the life your loved one lived. Before you conclude conversations with our directors, they will discuss the following terms for payment with you and provide an itemized list of Goods and Services that you have selected. Funeral payment must be determined at the time of arrangements or prior to setting the funeral date.

We accept the following forms of payment:

>A fully funded pre-arranged funeral.

>Cash, Check, Money Order, or Credit Card.

>Life Insurance policies collected through Express Funeral Funding. Policies must be assigned to the funeral home. Any policy that is contestable will not be accepted as a viable payment method. Service information will not be determined until Life Insurance proceeds have been confirmed by the funeral home.

In cases where the deceased's estate must stand the burden of paying the funeral expenses, a family representative will be required to pay the funeral expenses and file claim for reimbursement with the loved one's estate.

At least one family representative and Tylunas and Ratell Funeral Home must mutually agree upon financial responsibility. Please let us know which method of payment you prefer and if you have any questions.
