GENERAL PRICE LIST

These prices are effective February 1, 2026 but are subject to change without notice.

The goods and services shown below are those we provide to our customers. You may choose only the items you desire. However, any funeral arrangement you select will include a charge for our services. Charges are only for those items that you select or that are required. If we are required by law or by the cemetery or crematory to use any items, we will explain the reasoning in writing below.

This list does not include prices for certain items that you may ask us to buy for you, such as cemetery services, flowers and newspaper notices. The price for those items will be shown on your bill or the statement describing the funeral goods and services you selected. Cash advances made by the funeral home are made at cost. When possible, we appreciate payment to cover those costs prior to the date of the funeral.

Except in certain special cases, embalming is not required by law if any.

Embalming may be necessary, however, if you select certain funeral arrangements such as a funeral with viewing. If you don't want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation, immediate burial. A funeral with a sealed casket, or a closed casket funeral without viewing or visitation when refrigeration is available and when state or local law does not require embalming.

These charges also include overhead expenses relative to our facility such as insurance, maintenance and utility expenses, secretarial and administrative costs, and equipment and inventory costs. This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select.
