<b>Basic Services of the Funeral Director and Staff and Overhead</b> .....	\$2,795
--	---------

This is the basic charge to each family which we service, for our professional expertise in assisting them. It includes, but is not limited to, a proportionate share of the taxes, licenses and business expenses necessary to serve the public in a professional manner. Also included in this charge is the consultation with the clergy, cemetery, crematory or common carrier, planning the funeral or memorial service, and placement of obituary notices. There will be an additional charge for the direction and supervision of each service requested or required. This fee, for our basic services and overhead, will be added to the total cost of the funeral arrangements you select. (This fee is already included in our charges for direct cremation, immediate burials and forwarding or receiving remains.)

## Preparation of the Body

Embalming is not necessary by law. It is necessary however when the services selected include a public viewing or other extenuating circumstances, such as transporting on a common carrier. If you do not wish to have embalming occur, you have the right to choose an arrangement that does not require you to pay for it, such as a direct cremation, Green Burial or immediate burial. Families may choose the Green Embalming process that would utilize eco-friendly embalming fluids to help protect the environment.

## Payment Policy

To lose someone you love is one of the most emotionally challenging times in life. It can be overwhelming and can impair one's judgement. Therefore, it is important to be realistic with funeral expenditures. We want to assist you in planning the most meaningful celebration to honor your loved one's life while also keeping in mind your financial well-being after services are over. It is important that arrangements reflect your wishes within the budget you set forth.

We strive to serve every family as if it were our own. Our compassionate staff will work to meet your requests in planning a one-of-a-kind ceremony to highlight the life your loved one lived. Before you conclude conversations with our directors, they will discuss the following terms for payment with you and provide an itemized list of Goods and Services that you have selected. Funeral payment must be determined at the time of arrangements or prior to setting the funeral date.

*We accept the following forms of payment:*

>A fully funded pre-arranged funeral.

>Cash, Check, Money Order, or Credit Card.

>Life Insurance policies collected through Express Funeral Funding. Policies must be assigned to the funeral home. Any policy that is contestable will not be accepted as a viable payment method. Service information will not be determined until Life Insurance proceeds have been confirmed by the funeral home.

In cases where the deceased's estate must stand the burden of paying the funeral expenses, a family representative will be required to pay the funeral expenses and file claim for reimbursement with the loved one's estate.

At least one family representative and Wilbraham Funeral Home must mutually agree upon financial responsibility. Please let us know which method of payment you prefer and if you have any questions.
