You may choose only the items you desire. However, any funeral arrangements you select will include the basic services of the funeral home/director and staff. If legal or other requirements mean you must buy items for which you did not specifically demand, we will explain the reason in writing on the statement we provide describing funeral goods and services. This list does NOT include prices for any items that you may ask us to buy for you, such as honorariums, death certificates, obituary charges, cemetery charges etc. The prices for those items will be shown on your bill or the statement describing the funeral goods and services you selected.

**BASIC SERVICES OF THE FUNERAL HOME/DIRECTOR AND STAFF \$2,495.00**

Our fee for the services of the funeral director and staff includes, but is not limited to, staff to respond to initial request for service; arrangement conference with family or responsible party; preparation and filing of necessary certificates and permits; recording vital statistics, preparation and placement of obituary notices; preparation of services; and coordination with those providing other services, e.g clergy, cemetery, crematory, and others. Also included in this charge are overhead expenses relative to our facility such as insurance, maintenance, and utility expenses, clerical, administrative costs, equipment and inventory expenses.

This fee for our services will be added to the total cost of the funeral arrangements you select. (Such a fee is already included in our charge for direct cremations, immediate burials and forwarding and receiving remains).
